## Create your Custom Diary

Choose from our range of diary templates or we can adjust them your custom needs.

For a most accurate quote, include as much detail as you can in your request.

Would you like A4 or A5 diaries? - How many of each would you like to print?

Which year? We can adjust the months to date, according to any time of any year.

Overall font and style – corporate, personal or matching your business format.

**Describe your custom requirements in detail using these guides...**

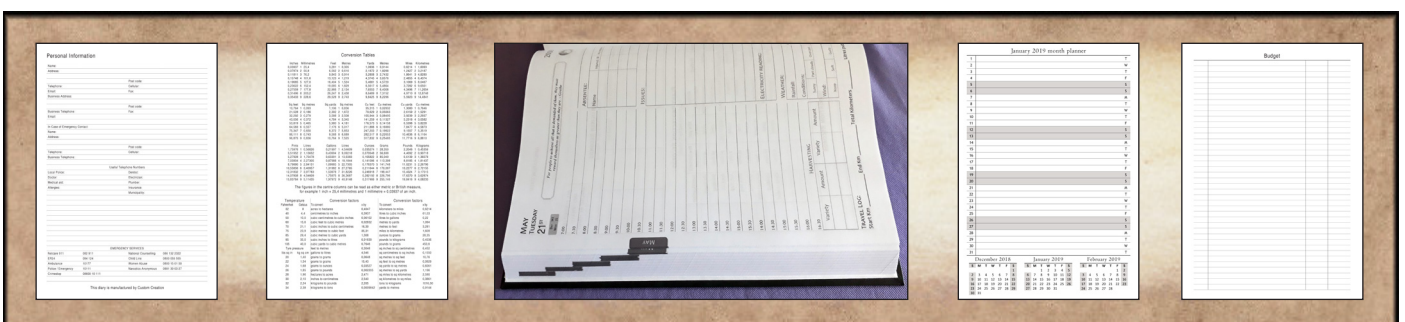

### Cover

- Book bound, perfect bound, wiro or spiral bound
- Book binding: Choose your faux leather colour and personal details for the cover
- Logo: Printed directly onto the cover (max A6 size) or foiled in gold or silver
- Full colour wrap on the cover, with or without lamination?
- Wiro / Spiral binding: Is the cover laminated, printed front and back? How thick?

### Introduction pages

- Personal information page, include your specific items to the list.
- Distance chart for South African roads to main centers, adjust to your location
- Inter Faith Holidays include: Christian; Jewish; Hindu; Islamic; Buddhist; or add your choice
- SA public and school holidays: Optional inclusion in month planners and daily pages
- List other special days you want to include: Mothers, fathers, secretary and boss day
- Conversion table: Inches – Millimeters, temperatures, etc.
- 3 year charts – previous, current and next year on one page
- Current year planner spread over 2 pages
- Include your Business 'motto' or special message here, it's your space to express!

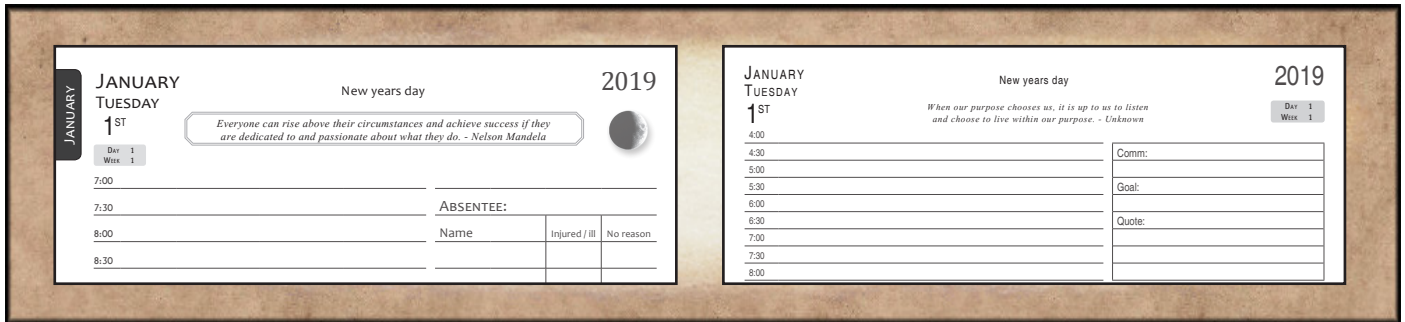

# Monthly

- Month Planner with 3 month blocks at the bottom: previous, current and next
- These can include the Holidays and moon times if you like, your special info
- Budget page – can be adapted to your needs

# Daily page Header

- Note: This is a 'page a day' diary, including a page for Saturday and for Sunday
- Year, Month, Day, Date, with optional month 'side bar' and a 'day / week' counter
- Moon phases, with image, indicating: waxing, waning, full and new - SA moon time
- Daily quotes: Christian bible verses or inspirational quotes from various sources

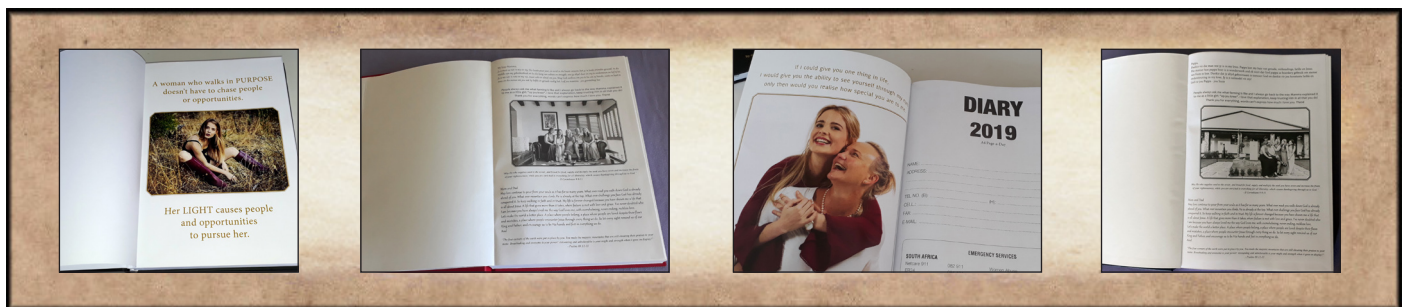

# Daily page Footer

- Year calendar months / Travel log / Quote (instead of at the top of the page)
- Choose your working hours start and end time to list on the left of the lines.
- Include a section for your most common daily tasks. Eg. 'Appointments'
- Would you like the page lines to include columns or 'tick box' for tasks done?

# Special inserts

- Commonly called 'tip-in' pages, placed anywhere in the diary.
- Specify double or single sided and whether you want full colour or greyscale.
- How many inserts would you like and where do you want them to be placed?
