2015 Sojournal – diary and personal guide.

(8th edition) A5 spiral bound, full colour cover, page-a-day, 4 content-colours in monthly rotation, 12 full colour inserts, a comprehensive introduction and directory.

This is your diverse guide and companion on your personal journey. Maintaining an elemental theme, it is packed with intriguing topics, sharing the gift of ancient wisdom. The daily pages consist of the moon positions, a garden guide, tissue salts, ephemeris, inspiring quotes and various religious holidays, festivals and SA public holidays. Weekly meditations and monthly planner, budget page, Astrology forecast and Angel teachings, featuring local captivating paintings.

The introduction pages share interesting articles and facts of the topics within the diary, this can be used as a tool to learn on a daily basis.

The Sojournal shares the same gardening information as the Planting Calendar, covering both hemispheres.

2015 Planting Calendar - moon phase gardening.

(7th edition) A4 book folds out to an A3 hanging calendar, with an A5 guide book.

The Planting Calendar is a guide for everyone, from the beginner gardener to the farmer, indicating basic gardening activities according to the SA moon times. With lovely illustrations and an easy step-by-step, colour coded guide. These methods have been studied, logged and put to practical use by professionals for many years.

Each month indicates a variety of seeds that can be planted according to the Southern Hemisphere seasons and climate, with an estimate amount of weeks till harvest.

2015 Custom diary

A5 or A4 wire bound diary with customised cover - front and back, full colour.

Have your company name, details and logo on your custom designed diary cover. With the unique Sojournal style, this diary is designed mainly for business use. Each page has a travel log, the entire year calendar and shares the Sojournal quotes and moon cycles. You can order in bulk to gift or sell to your employees or clients. You may add your own informative or graphic insert pages and place them where you require them.
